Pellissippi Corporate Center (PCC) is one of East Tennessee's premier business parks. This 150 acre business park is located at the intersection of Hardin Valley Road (State Route 169) and Pellissippi Parkway (State Route 162, a four lane divided highway extension of Interstate 140). Located in the heart of East Tennessee's highest concentration of technology based companies and research institutions, PCC is the home to the 80,000 square foot National Transportation Research Center. PCC offers convenient access to the Oak Ridge National Lab (6 miles), the University of Tennessee in Knoxville (17 miles), and Knoxville's McGhee Tyson Airport (18 miles). The capacity and quality of the power, telecommunications, water, sewer and natural gas utilities within the park are capable of meeting the most demanding company requirements.
